Downtown Nashville

See The Best First

From the hunter-gatherers making their home along the Cumberland, to the lone French fur trader establishing a trading post, to the first musician to step off a bus with nothing but a guitar and a dream, Nashville has been the hook on which the brave and entrepreneurial have hung their hopes. Their success inspires others to hone their chops and journey to Music City. As we weave our way through this rich and vibrant city learning about its legends and pioneers, you won't help but feel inspired, too!

How The Tour Works

Our orange-and-green trolleys travel continuously through Nashville on a 12-mile loop with 13 convenient stops. With our Hop On Hop Off service, you can begin at any stop and ride all day. Enjoy a fully narrated tour that's the perfect way to experience Nashville's highlights. Hop off to explore whenever you like, then hop back on to continue the tour until you return to your starting point.

Hop On and Off!

Depending on your start time, you can use your ticket to enjoy the tour in segments by hopping off at one or two stops along the loop. Each stop highlights a unique aspect of Nashville. When you're ready to continue, simply hop on the next available trolley. The number of stops you can explore in a day depends on when you begin your tour—starting earlier gives you more time to experience multiple stops. For your convenience, we also offer discounted Old Town Trolley and attraction combination packages!

100% Satisfaction Guarantee

Because we believe so strongly in the quality of our tours, we offer 100% satisfaction guarantee. We appreciate your business and strive to offer you the best vacation experience.

STAY CONNECTED!
