# SEE SAN DIEGO IN A DIFFERENT LIGHT...

Join our amazing 100-minute tour on San Diego's most unique vehicle open air Old Town Trolley. Our tour begins in Seaport Village, and continues through San Diego's premier entertainment district, known as the Gaslamp Quarter. Famed for its vibrant nightlife, bright lights, and Victorian architecture, this unforgettable urban playground will captivate your imagination. Then, we'll head to Balboa Park, one of the largest outdoor cultural centers in the US, with its stunning buildings, fountains, and statues glowing bright, transformed at night, and equally as remarkable in the evening as they are during the day.

From Balboa Park, we'll drive to the top of the Coronado Bridge for more spectacular sights, including the lights from the Mexican skyline, the San Diego Bay, and downtown San Diego. We'll make a 15-minute stop at Coronado's Ferry Landing, a perfect photo op location, to take in the stunning beauty of the San Diego city skyline visible from across the bay.

While in Coronado, we will make our way past the Hotel del Coronado, before returning over the Coronado Bridge to see the amazing bayfront views. You'll see the Historic County Administrative building, the Maritime Museum's Star of India, the USS Midway Museum, Little Italy and also the Navy's aircraft carriers across the bay.

As our journey draws to a close, you have experienced America's Finest City in a whole new light—one of those rare moments that becomes part of your San Diego story.
